# ABOUT THE COMPANY

**Founders 2 Founders** is a startup incubator and accelerator focused on creating the ideal eco-system of support to propel entrepreneurs into limitless potential so they can discover new niches and leave a powerful impact.

We also function as an accelerator. We are fellow hands-on entrepreneurs and founders willing to help entrepreneurs find a business model that works. We are looking for Tech-driven startups that solve real problems. We work with committed teams that embrace experimentation and want to build the companies of tomorrow.

## VISION

To be the center of excellence that fosters synergy between incubating and accelerating service and the industry that fuels entrepreneurial spirit

# OUR VA- LUES

## MISSION

To deliver what we promise through our skill and determination and enable the next global unicorns.
